It is estimated in Wall street that over \$350,000 changed hands as a result of the yacht races.

The monthly balance sheet of the departments of the State Auditor and State Treasurer shows \$288,216.75 on deposit in the Treasury.

GOVERNOR BECKHAM has called special elections in the Seventh, Fifteenth, Eighteenth and Twenty-seventh Circuit Court districts to fill the vacancies caused by deaths and resignation.

AFTER what has happened it is safe to assert that no naval commander will go forth to give battle to the enemy without an assortment of photographs and moving picture machines wherewith to furnish evidence to a Court of Inquiry.

JUDGE HOWARD wishes it distinctly understood that he is not and has no intention of being a candidate for State Senator against Caswell Prewitt. The Judge is too shrewd a lawyer to not recognize the fact that his candidacy would only be another case of the lamb being led to the slaughter. While personally the Judge is very popular and one of the strongest men in the Republican party, still it would be like bucking against a sure thing brace game for him to enter the field against Mr. Prewitt. The Democrats were never closer together in Kentucky than at the present time and an overwhelming victory in November is already assured. The News is really sorry for Bob Gorey, the young man the Bourbon Republicans have induced to suffer himself to be sacrificed. He is too nice a fellow to be treated in that way, but still when it comes to voting all Republicans look alike.

Stock and Crop.

George Clayton yesterday sold to Mr. J. W. Tanner a mare mule colt for \$50. Geo Clayton, of Hutchison, reports the sale of a pair of fancy Poland China pigs to N. J. Dilday of Brannon, Ky., at \$80.

At Indianapolis last week fat porkers sold at \$7 and at Kansas City \$6.65. This is the highest price asked since 1893, when hogs were quoted at Indianapolis at \$7.10.

Catesby Woodford lost by death last week a weanling colt by Sir Dixon—Kismet.

The monthly crop report of the State Department of Agriculture showing conditions for the last week of September was issued Saturday by Commissioner Nall. The report is from 100 correspondents representing as many counties, and shows an improvement in crops during the month, especially tobacco and hemp. The general average on corn is reduced from 61 per cent in the last report to 59 per cent, tobacco has advanced from 78 to 81 per cent, and hemp from 90 to 102 per cent. The report shows that only 59 per cent of the wheat crop raised has been sold, showing that the farmers are holding for better prices.

M. J. Murphy & Co. report the following court-day sales: James Clay purchased from Jonas Weil twenty-five head of fine cattle at \$25 per head. Jos Stuart bought of Frank Bedford sixteen head of 945-lb. cattle at 3 3/4. Wm. Woodford bought a bunch of 2-year-olds at 4c per lb. There were 25 or 30 mules on the market, but market, but market was slow. A. S. Thompson sold a pair of good mules at a fancy price. Ray Cunningham sold a mule at \$110. There was a fair crowd in town.

You Do, or You Don't Need Glasses

The eye being a rather delicate organ, great care should be exercised in the selection of proper glasses. Many believe that glasses should be restored to only when the sight becomes so defective as not to be able to do without. This is a great mistake which must be combatted. Whenever there is unmistakable evidence of the need of their aid, they should be used. A neglect of this rule sometimes produces mischief which results in serious trouble if the course be persisted in. Our Dr. C. H. BOWEN having just returned from taking a special course in Optics from one of the best specialists in New York, is prepared to do the best of work, having the latest improved methods of fitting. Examinations free. Next visit Thursday, Oct. 10, 1901.
